

Stronger Together Education Partnership (STEP)

STEP, a partnership of schools in Bradford, offers collaborative training and resources to empower schools and improve student outcomes.

Who We Are

Stronger Together Education Partnership (STEP)

STEP was established by a group of headteachers who are committed to partnership working to help improve schools.

We are currently a group of **18 primary schools from across the Bradford district** and include both academy schools and LA schools.

What We Do

We offer high quality, high impact CPD at a reduced cost to schools.

Our CPD programmes reflect and respond to schools needs as well as local and national trends.

Training is led by subject specialists who work in partnership with our schools to deliver the very best training opportunities that drive real school improvement.

How much does it cost to be a partner school

Subscription for the academic year 2024-25 is set at £5.00 per pupil on roll for existing members.

New partner schools in 2024-25 will be offered a discount rate of £2.50 per pupil for the first year. .

3

What does it mean to be a partner school?

Joining us as a partnership school means that all staff can access all of our CPD programme for a one off fixed cost.

We run CPD networks in the following areas: Art, DSL DT, English, EYFS, Geography, History, Inclusion, Maths, Moderation, SEND, Science. Networks are a hybrid model of face to face and virtual.

We also hold 6 head networks across the year as well as middle and senior leadership training.
